For Sale on behalf of a Client

1991 Aston Martin Virage

One of only 1,050 produced, this large aluminium bodied coupe is exceptionally quick with a 32 valve 5.3 litre V8 engine and automatic gearbox. Beautifully presented in factory colours of British Racing Green with contrasting red leather interior and mushroom alcantara headlining, this car is likely to be a great investment and of course a great drive. Built to Japanese specification and starting life there, returning to the UK in 2015, with an odometer reading of just under 68,000 miles (could even be kilometers). Superbly equipped with recently re-charged air conditioning, cruise, electric and heated front seats, electric windows and mirrors, radio cassette with CD changer in boot, hide covered interior, walnut fascia and door cappings and wool pile carpets. Comes with new tyres, copies of the Aston Martin Certificate of Origin and Car Record Card, Owner's Handbook and service history while in the UK.
