## 1970 Austin A60 Van

Very correct example of Austin's half ton van, sign-written in the livery of a well-known Southampton dealer of the period, B series engine starts easily and runs well, column change works effectively, inside and out it is very solid and presentable, would benefit from light re-commissioning following a period of slumber. Big enough to be very useable, long enough to sleep in when car shows start again; comes with radio, jack and V5.

Viewing by appointment please. Tel: 07711 509600, 07768 630969, or 01635 248158
