1986 BMW 525e (E28)

This wonderful high efficiency super ETA Beemer is in astonishing condition, chrome, bodywork and interior are all superb. Super ETA's combine the low compression M20 B2.7 engine with the switchable ZF 4HP 22 sports automatic transmission to give an economical drive with excellent performance when required. Only 3 owners, low mileage, service history and a recent bill for £2,600 make this car about as good as it gets – restoring one to this standard would cost a small fortune. The original owner had, we understand, the PFEBA kit and M5 spoiler fitted by the supplying dealer. Electric front windows, manual sunroof were standard, comes with BMW Owners Information pack. Was reviewed in Classic Car Buyer in 2018 with the verdict 'After revisiting the E28 I remain convinced they're one of the best cars BMW ever made and as a practical, useable classic with enough power to be genuinely fun to drive, this really does take some beating'.
