For Sale on behalf of a Client

1968 Daimler V8 250 Automatic

Very original, seemingly never welded in handsome maroon paintwork, drove to us from Salisbury via Teesside, a distance of 600 miles in a day. Bodywork is very good, interior is original, presents beautifully with newish wire wheels and stainless exhaust. In recent times has had work to power steering and brakes, including overhauled steering pump and box, new track rod ends, bushes etc., overhauled alternator and oil pump plus replacement main shells. Good history file includes original bill of sale, details of time spent in the Netherlands (now back on original registration), buff logbook, V5C, MOT, owner's handbook, spare keys and some old receipts.
