1955 Daimler Conquest

Very good in black and grey with nicely patinated original interior, paintwork is very good as is chromework, body seems very solid. Much work done in last 2 years including steering box, exhaust, front suspension, king pins, shock absorbers, engine and gearbox mounts, prop shaft universal joints, radiator and conversion to negative earth. Engine is smooth and powerful, pre-select gearbox is a delight to use, brakes are effective. Comes with some history, spares, sales brochure, Service Manual, Parts Catalogue and Driver's Handbook. A lovely old car ready to be enjoyed.
