## 1998 Jaguar XJ V8 Sovereign Automatic LWB

Outstanding example in Sapphire Blue, around £45,000 when new, now available for less than a tenth of that! Was converted to lpg in 2016, then upgraded to the Erma system this year, runs and drives superbly on petrol or lpg, the latter giving more than acceptable economy. Odometer reading of just over 87,000 miles believed to be correct, loved and regularly serviced through its life, had a service, new fuel pump and air conditioning re-charged this year, timing chains were replaced 8,000 miles ago. Exterior bodywork and interior are both excellent, even the headlining has no sags, all the Jaguar toys, a/c, electric windows and seats, central locking, electric mirrors, radio cassette with CD player in the boot, sunroof the only thing that appears not to be working, after-market reverse park aid – required because the long wheelbase model is 5 inches longer than standard – and what a difference to the rear legroom, Waxoyled, huge history file, Handbooks etc. Absolute luxury and/or a spacious wedding car made affordable by the lpg conversion.

Viewing by appointment please. Tel: 07711 509600, 07768 630969, or 01635 248158
