1992 Jaguar XJ-S 4.0 Automatic

Lovely car running very well with long MOT, recent work to climate control and fan, full service just a few hundred miles ago, full record of MOTs, very limited mileage for last 20 years, good service record including Jaguar for first 8 years. Valuation report in 2016 described vehicle as 'A1/excellent' and commented that the panel work was in 'excellent condition' and the test for the presence of body filler concluded 'none was detected'. Outstanding example of this increasingly desirable big cat.
