1978 MG BGT

Good little starter classic, nicely presented in black - probably best colour for rubber bumpered cars - recent radiator, electronic ignition, clutch and underseal, engine appears to have been replaced with restoration in 1993, about 30,000 miles ago. Body seems quite sound but bonnet needs tidying, inside is very good, driver's seat has been renewed, runs well with working overdrive, MOT and large history file, indicating much love over the years.
