1963 MG B Roadster

Early example upgraded by last owner of 11 years who replaced the engine (5 bearing Gold Seal) and fitted an overdrive gearbox, new prop shaft, radiator, electric fan, new clutch, fuel tank and pump, re-bushed arms, stainless exhaust; at the same time he reset the odometer so the reconditioned engine has done less than 10,000 miles. Body is sound, paintwork presentable, comes with wire wheels, boot rack, tow bar (never used), new MOT, lovely leather interior and very good hood, The last owner has provided a useful list of work done in his ownership. The best of both worlds - a great drive combined with early features like pull handles, aluminium bonnet etc.
