2005 Mercedes C180 Kompressor Classic

Too modern for us really but a very fine part exchange we need to clear. Looks lovely in silver, excellent bodywork, well equipped with power steering air, electric windows etc., tyres are good, decent history file showing regular servicing, last one in March, odometer reading just over 100k miles is nothing for a Mercedes, MOT, Drivers Handbook. Great value.

Viewing by appointment please. Tel: 07711 509600, 07768 630969, or 01635 248158
