## 1935 Morris 8 Series 1 Tourer

**Sound and nicely presented in green and black, paintwork is presentable, engine starts easily, is very sweet and pulls well, 3 speed gearbox works fine and is easy to master, brakes are surprisingly good. The hood is very good, front seats have at some stage been recovered and carpets are quite new, side screens are missing but fittings are present and there is a removable luggage rack, electrics have been sorted, tyres are decent. A little history includes buff registration document as well as V5C, registration is original too. Utterly charming.**
