1956 Morris Isis Traveller

As rare as rocking horse poo, this Woody Estate combines 6 cylinder motoring with enough space for 8 occupants with two extra fold-down seats in the rear, or 65 cubic feet of luggage.

Photographic and fully documented restoration in the 90s, body seems sound, woodwork is very good and appears rot-free, fitted with a Wolseley 110/6 police spec engine with twin SU carbs, engine believed to have done less than 40,000 miles, brake servo added and just had new master cylinder. Comes with lots of spares including a gearbox, roof rack, huge history file, Morris Workshop Manual, Operation Manual, new MOT (although not required), most of its life with one family and only 2 previous owners on V5C. Price is fixed for this ultra rare estate at £10,750.
