For Sale on behalf of a Client

1971 Morris Minor 1000 Traveller

Very late example with steering lock, just over 1,000 from the end, beautifully presented in rare Limeflower. Restored in 2013 with all new wood, new sills, inner arches, steel wings and headlining, recon gearbox in 2007 only a few thousand miles ago. Engine pulls well, steers and stops as it should, recent MOT, good history with old receipts and MOTs supporting probable low mileage. Very practical classic and a capable load carrier.
