1965 Singer Gazelle Series V

Perhaps the prettiest of the Gazelles this Series V is an absolute stunner, combining superb condition with the lovely patina of a 60's car. The outstanding sage over velvet green paintwork, very good brightwork and a lovely original interior make this a special car. The odometer reading of just over 43,000 is probably correct and is backed up by 17 MOT certificates (including a very recent one). Engine is sweet, maintained by a quality mechanic, drives beautifully, has a very tidy engine bay, front seat belts, a working clock, V5C and some history. A stunning example, price reflects its condition and worth every penny.
