1931 Singer Junior

Well documented photographic restoration some years ago including rebuilt engine and gearbox, ohc engine starts easily and runs sweetly, very good oil pressure and probably very few miles since rebuild, steers and stops well on new tyres, chassis and bodywork are sound, paintwork is old but quite presentable, seats and door cards have been re-upholstered with exception of rear seat squab, needs headlining to finish this delightful pre-war classic. It comes with good history, very good club credentials, owner's handbook and copies of various manuals. A great opportunity to improve a rare car during winter evenings.
