1987 Volvo 340GL Automatic

Outstanding example of Volvo's small family car from the 80's, this particular example is excellent in every way, only 3 owners, the last one a vicar. The Variomatic CVT transmission is excellent, making it an absolute doddle to drive, sunroof, overall condition supports odometer reading of just over 50,000. Original dealer Pack, Haynes Manual, Panasonic radio/cassette, MOT and V5C all come with the car. A great everyday car and starter classic combined.
