For Sale on behalf of a Client

1964 Wolseley 1500 MkIII

Attractively presented in original two tone grey colours recently refreshed, with green leather upholstery, recent beige carpets, and original headlining. The car drove to us from Middlesex, oil pressure and temperature were spot-on when it arrived, starts and runs well and is a capable cruiser. In the last year it has had brakes overhauled, new water pump and battery. The odometer reading of just under 90,000 may well be correct. Offered as a running restoration, this car offers a low cost entry into classic motoring with room for further improvement. Comes with V5C, original bill of sale, some good history, a current MOT, and a Haynes manual. A good starter classic full of charm.
