History: Long wheelbase example has just enough extra room to make all the difference, very pretty sound example with pleasant black and blue paintwork, interior was re-trimmed in 1995 and engine rebuilt with new white metal in 2015. Also just had a new battery, and in last few years, new half-shafts, motometer, driver's seat made adjustable, and some re-wiring. Starts easily, engine is very sweet and reverse pattern 3 speed box works well and it even stops, making it a pleasure to drive. Comes with V5C, some old MOTs and bills, and itineraries showing a previous owner did some long runs.
