**History:** Two door example recently re-commissioned by retired professional mechanic, over £600 spent in parts alone, has replaced hoses, fan belt, water pump, brake cylinders and hoses, front brake shoes, rebuilt master cylinder, full oil and grease service, tappets adjusted, so is running very well with a new MOT (although not required). Body seems very sound, paintwork is shiny and presentable, currently shod in Minilites, the 5 original wheels are with the car, all tyres are very good, interior is completely original, comes with a bit of history, Instruction Book, Workshop Manual, V5 and current MOT. A starter classic all ready to enjoy.
