History: Beautiful two door example in blue, owned by a retired mechanic, engine rebuilt and car re-furbished around 2012, when the slightly more powerful unleaded A35 engine (943 cc) was fitted, has had recent brakes overhaul, plugs, points, all oils and fitting of a spin off oil filter. Body and paintwork are excellent as is the chrome, interior is very good with seemingly original seats. Electrics have been upgraded with the fitting of flashing indicators, intermittent wipers, spot and reversing lights. Was driven 50 miles to us, has a small history file including buff logbook, and a current MOT.
