History: Very well presented in white, running well with new MOT; magic carpet-like ride, engine is sweet, brakes and steering sharp, making it a delightful modern classic. Bodywork and interior are both very good, engine bay is excellent, comes with air conditioning, electric front windows, fog lights and rear sunblind. We understand that it has a new clutch last year, only one previous owner, probable low mileage, history file contains some old MOT's and service receipts, also has Handbook pack.
