**History:** Stunning in Opalescent Silver Grey with black leather interior, Turner V8 starts easily emitting a lovely burble, one of only 200 manuals with overdrive built, gearchange is easy and overdrive works. Restored in 2007, remains in excellent condition including under the bonnet, very good service record, and in addition to being a rare manual, has early large wide bumpers and power steering. Woodwork, treated leather seats, and carpets are all very good, comes with a huge history file, a Heritage Certificate, car cover, period radio, some useful spares, a handbook and several workshop manuals.
