**History:** An attempt to re-create the success of the Capri, this time based on well respected Mondeo underpinnings. Never popular, probably because of its angular styling, was rare when new and certainly a rare Ford now. This particular example has excellent body and paint, a fine black leather interior, electric seats, and comes with a full service history. In recent times it has had some brake work, an a/c re-gas, underseal, and new tyres. The V6 Duratec engine is smooth and refined, handling is excellent and all in all it is a fine fast tourer and likely to be a modern classic. Comes with full booklet pack, sale brochure and Chilton Workshop Manual.
