**History:** Stunning in Almond Green, restored to a high standard in 2020/2021 with all new wood, body panels as required, bumpers, full re-spray, replacement rubbers and chrome, new seats, headlining, carpets etc., and mechanically the work was just as thorough – replacement engine and gearbox, full brakes overhaul, new rear springs, clutch, regulator, fuel pump, starter plus more, all documented in large history file and an expenditure of over £9,000. Drives very well as one would expect, probable low mileage, tyres are very good, original Passport to Service shows first owner was a Morris employee, only 4 in total, some older history plus lots on restoration, Handbook, just over 200 miles since last MOT in 2021, V5. Absolutely lovely.
