History: Elegant motor from just post-war, must have impressed the neighbours when new. Fine lines and chromework, long bonnet and very good grey interior continue to attract attention, 1185 cc engine pulls well through a four speed gearbox with floor mounted gear-lever, recent reconditioned carburettor and new fuel pump. Body and chassis are very good, paintwork is presentable with some signs of over-enthusiastic polishing, interior has been part restored with excellent leather work and new carpets, also features a working sunroof and opening windscreen. Has had very few owners, comes with a little history, original logbook and current V5, a nice original registration, lubrication chart, parts list, a useful "Handbook of Instruction", a few spares, an extra spare with new tyre and a sales leaflet.
