History: Beautifully presented in light blue, huge amount spent on upgrades including Dolomite Sprint head, 4 branch manifold, K&N filters, stainless exhaust, electric fan, electronic ignition, uprated front brakes, and polybushed suspension. Speedo was replaced a few thousand miles ago, old one with car reads 55,500 miles so probably a low mileage example. Lovely interior includes leather seats, modern radio, boot carpet kit and a good hood. Drives beautifully as one would expect, recent new alternator and service, comes with a huge history file, various manuals and books, hood and car covers, spare keys, a few spares, MOT and V5C.
