1931 Austin Seven Four Seater Tourer

Very good in blue and black, with sensible upgrades to make it more useable including later 3 bearing engine, 4 speed gearbox and Bowden front brakes. Starts easily and runs very well, interior has been re-furbished and hood is very good. In 2019 had new clutch (which is very smooth for and Austin Seven), rebuilt steering box, a good service and new tyres. Comes with a good registration, a little bit of history and V5.
