For Sale on behalf of a Client

1969 Triumph Herald 1200

Mechanically has had plenty of money spent on it including rebuilt engine with unleaded head, new clutch, stainless exhaust, and countless smaller items, it starts easily and runs well. Bodily, the chassis looks ok, the bodywork needs work and the paintwork is hand done and not good – the photos flatter it considerably, interior is tidy and seats are good. Tyres are very good and the spare is new, the chrome is generally very good, comes with a large history file, workshop manual and other books, and some spares. We are awaiting a replacement V5 from DVLA. A little winter work required on this rolling restoration.
