**History:** Rare example beautifully presented in cream with red leather interior, last owner for 16 years and only 2 previously, recently had a brakes overhaul, full service and new stainless exhaust, battery, plugs, points etc. Bodywork was restored in 2007, runs very sweetly, pre-select gearbox works as it should, drove 40 miles to us in heavy traffic. Interior is in fine original condition, power hood is very good also and works well. Odometer reading of just over 56,000 miles is believed to be correct and is supported by a good history file, photo of this car appears on the dust cover of *Carbodies – The Complete Story* and it comes with plenty of other literature, manuals, handbooks etc. and some very useful spares. One to treasure. Owner is open to sensible offers on this lovely car.
