History: An early 1.8S in Teal Blue with Limeflower interior, appears to be very original with no signs of welding. It drives well too with the lively 1798 cc B series engine with electronic ignition. Recent work includes an unleaded conversion, new clutch, rear seat belts, new carpets and door seals, new underseal and a wooden steering wheel. Paintwork is very good, with just the odd blemish, interior is very good also. A large history file with lots of old MOTs supports the 54,500 mile odometer reading, comes with its original P.D.I. sheet, Passport to Service, Workshop Manual and Parts List.
