History: Stunning little car, very sound with excellent paint and very good brass and chrome work, lovely interior with superb leather – this could possibly be original or was replaced many years ago and has a great feeling of age, very good headlining, lovely chrome fittings, period fire extinguisher and working sunroof. Has its original two letter registration, a new 6 volt battery and coil, it starts on the button, drives, steers and stops well, comes with an Instruction book, photocopy of a care and maintenance manual, a little history and V5. A joy to behold.
