History: Lovely example with excellent grey and light blue paintwork, fine bodywork including underside, bare metal respray a while ago, the interior benefits from fine two-colour leather seats which may well be original. Running well, drove 30 miles to us, had brakes overhauled, new carburettor and tyres. History file and the general condition suggest that the odometer reading of just over 28,000 miles could be correct, comes with a Pitman' book, parts catalogue and Practical Hints for Maintenance Book. A fine car.
