**History:** Elegant and in stunning condition all ready for use, everything about this car is excellent - paint, bodywork, chrome, interior, mechanics. Current owner likes to use his cars and has made sensible upgrades for modern traffic including electronic ignition, telescopic shock absorbers, Weber carburettor, LED lights, conversion to negative earth, and a rebuilt steering box. As you might expect she starts easily, drives very well with precise steering, good gear-change and brakes; the odometer reading of just under 40,000 could well be correct, supported by many old MOTs. Comes with sunroof, opening windscreen, a large history file showing over £3,500 spent by the present owner on maintenance and improvements, an Owner's Handbook and spare key. Wonderful.
