History: Stunning lines, deco interior and 6 cylinder twin carb engine make this a fine very useable pre-war car. Excellent inside and out, restored about 10 years ago with metalwork as required, bare metal respray, re-chromed, re-furbished interior in green leather, new carpets, sunroof and headlining, new tyres in 2024, recent brakes and engine overhaul, drives very well with good brakes and steering, recent MOT, plenty of evidence on the extensive history file to suggest the 45,000 odometer reading could well be correct. Has a hidden Bluetooth audio system, comes with lots of history, photos, driver's instruction manual, photocopy of workshop manual. Fine example ready to be use.
